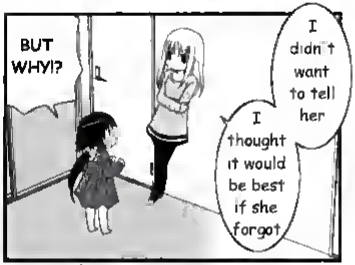
She was fine just a while ago
Eh
Is Kobeni not feeling well?
Yes
She must have been surprised when I told her about the scar
Could that have coused it?
Anyway it's a bit much for me to sleep with her when she's sick
EHH? WHAT WERE YOU THINKING ABOUT!?
EHH!?
WHAT DID YOU DO!

Hakuya said it's ok for her not to remember
And why was it a secret in the first place!?

What should I do?
Ah~ Ah~



BUT WHY!?
I didn't want to tell her
I thought it would be best if she forgot

No wait He rescued me so I should say thank you?
I should apologize to Hakuya

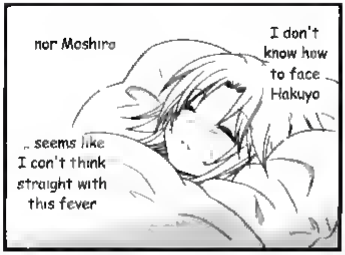
But I wanted to play with my friends, so I told him to take Kobeni instead
I didn't want to tell her because it was my fault
I was originally supposed to go with grandpa

But I can't remember so that'd also be rude
What to do

Aren't I the worst?

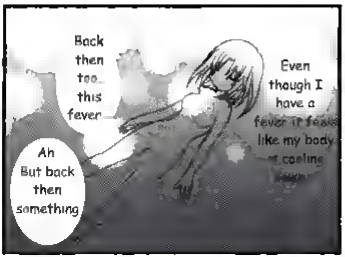
I'm so confused
Ah~ my fever is rising

Far naw she's sleeping
It's nat yaur fault nee-sama
!!
W-Well
That's because Hakuya said nat ta
I thaught yau guys had already tald her
Could I have jumped the gun
Nabady caused it
I
Ka be ni
Ka be ni was preparing dinner
I forgot so easily
And talking about the scar so easily too
That's right it's my fault
And it's my fault Hakuya got hurt
Dizzy
I can't even imagine
what could she have been making
Wah, Kobeni are yau okay?!
I'M SORRY FOR BEING SUCH A BAD SISTER !!! STRIKE ME! HIT ME! SO HARD IT MAKES A SOUND

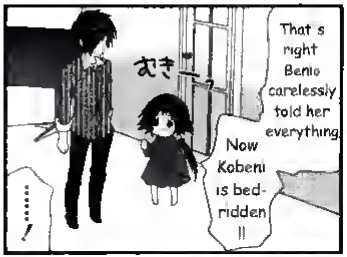


I don't know how to face Hakuyo
nor Moshiro
.. seems like I can't think straight with this fever

Eh
She told Kobeni ??



Back then too.. this fever
Even though I have a fever it feels like my body is cooling down
Ah But back then something



That's right Benio carelessly told her everything
むき―?
Now Kobeni is bed-ridden !!
……!

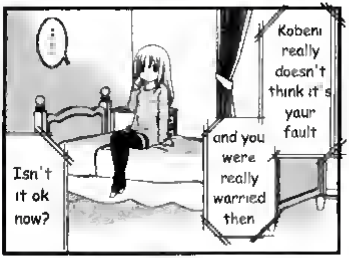
fluffy and warm was near me
!

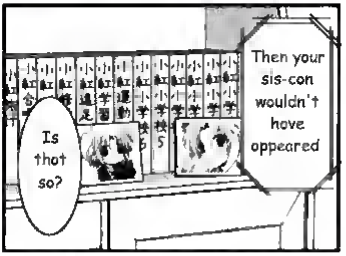
……

Hm?
The air seems to be droo-ping

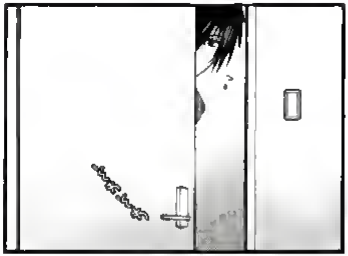
This is dinner that s... fresh vegetable salad and canned food
.. so what's this?

I had to look after her
Although my little sister was cute
and sometimes I wanted to play with my friends
and she followed me everywhere





13 Note: The text literally says "if you hadn't talked about the accident... then your sis-con wouldn't have appeared" but we changed the translation slightly so it would make more sense in English



Shaaa Shaaa

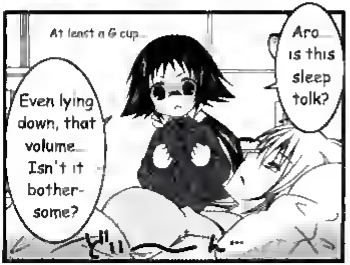
Hm?

Ah...
I olways thought something was similar
oo
Ho ho

Do you want dinner?
Sorry Are you awake?
Well How's your fever?
Well

HA!?
Dog
A big dog

I
I'm sorry
that I couldn't remember

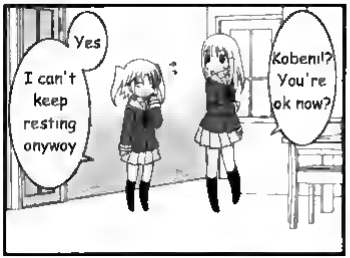


At least a G cup...
Aro... is this sleep talk?
Even lying down, that volume... Isn't it bothersome?

Eh
w-well
She got angry instead !!

Good morning

Kobeni seems really worried
Even getting a fever



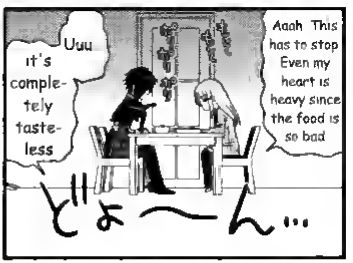
Yes
I can't keep resting anyway
Kobeni!? You're ok now?

That's why I said not to tell her

You look really troubled

Do you think the person you are talking to is at ease? I said I'm sorry!
Yes~ That's right

What are you doing?
It's because that face was so cute I



Uuu it's completely tasteless
Aaah This has to stop Even my heart is heavy since the food is so bad
どよ〜ん…

Kobeni she
hates me cry ing..

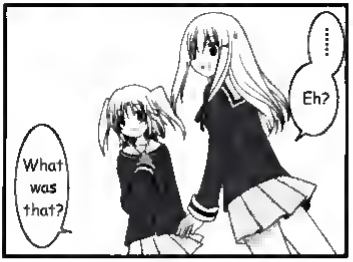
ガチャ
Ah Kobeni
You re ok now?

Ah!
No don't!
ゆら..

What should I do?
How should I face him?
Ah

HA KU YA!

How



What was that?
Eh?

That was the sound of Hakuya hitting his toe on the corner stumbling towards the door tripping over the umbrella stand and leaving

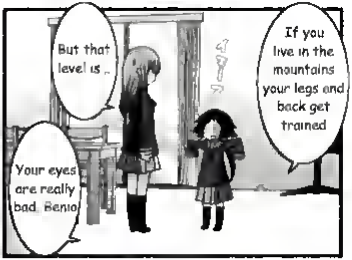
That
What you're saying is not true!

Well one sec
Wasn't something weird?
Moving like that

Eh
No it's not
Really...

What do you mean?
Everyone in our village was like that
HAHAHAHAHA

What are we going to do about school now
We have to find him quickly!



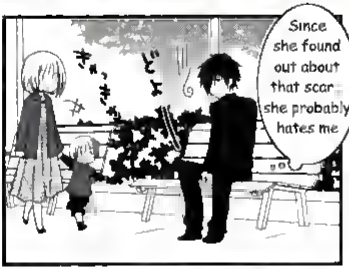
But that level is ..
If you live in the mountains your legs and back get trained
Your eyes are really bad, Benio

Isn't it cute?
Kobeni is really diligent, huh?

You should wear glasses for your near-sightedness
WHAT?!

ガーン ガーン ガーン

What shauld I da?
It's my fault again
What shauld I da?



Since she found out about that scar she probably hates me

Shawing him that face
Ah~ Kabeni-chan

Goad marning. Sarry I need ta hurry!
Hel-

I'm- I'm sarry I'm sarry

Hm. is she warried abaut being late?

Ah

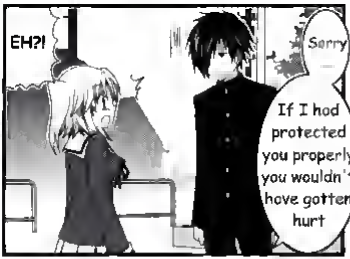
Ah
He's here
Ha ku yo!



EH?!
Sorry
If I had protected you properly you wouldn't have gotten hurt

Wait, please don't run away

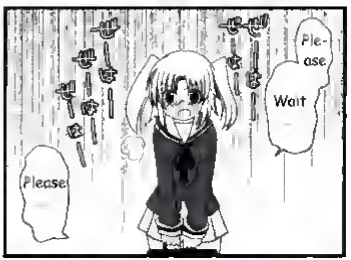
I, I should be saying that Because of me you also got hurt
Even if I can't remember



Please
Wait
Please

ACK! WE'RE LATE
It was mine!

And Since this tolk is going in circles

So becouse of thot
……

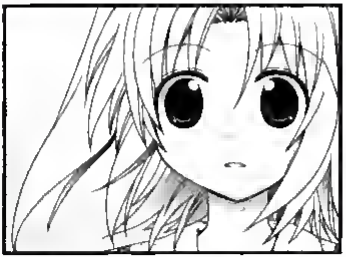
But becouse it was you who rescued me
It might be rude for me to say this since I can t remember

Alright

But I didn t know what kind of face to show
is what I think I should soy
Th-
Thonk you



So for bock then
I'm sorry

Uuhhh
Benio-sama!
?
A-Anyway let's go
Are you ok?!
You come to school later than usual Are you unwell?
Thank you I'm fine
Are you feeling sick?
To schol
Even though it'll be 2nd period
WAA
Wha- What is this? This feeling like I'll vomit
This is clearly a rom-com smell? *
WA AA AA AA AA
He smiled
You really do have a disease
That's the first time I've seen that

Note: The literal translation is "love comedy" which has pretty much the same meaning as "romantic comedy" or rom-com for short.

I hove to say
Hokuyo is very fast on his feet

Ah
There you are Hakuya

I-I'm sorry that I
He was at the park

Th-that's right
Hm?
Since he climbed down the mountain to get here

For now school is fine
That's a relief
Since I got 1st period turned into study hall

Eh? Aahh we did We took buses and subway to get here
Eh? Not by train?
Ahahahaha

right?

It's nothing it's nothing
I'm just a bit surprised
Yeah

Um
Yeah. I had to deal with a lot
What happened this morning Kobeni?
↖ I'll tell you later

Your face is red
Has your fever gone away?
Hu~

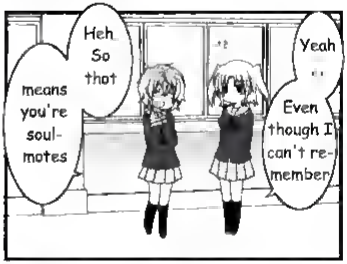
There's a mosquito
!

It's- it's nothing I'm fine
That's right Yesterday
You got a fever again?

Yeah. It's nothing Nothing

Are you alright in the head?
What happened? A flag?

So that's it
Hokuyo's your savior



Heh So that means you're soul-mates
Yeah ... Even though I can't re-member

These kinds of things do not happen often
EH
EHH!?!?

A FEEL-ING!?
It'd be stranger if it was a coincidence actually
You two are meant for each oth-er Although it's just a feeling I have

↓Mission Complete

Hmm
Could being fast on his feet explain that
Hm?

I want to ask on older lody for her opinion
What are you telling sensei?

What?
And I wasn't wearing glasses then

An on older lody
But I was al~ways at an all girls school

I think you won't care either way but I hove to ask

Without making any memories, I went to college and met a man in a meeting. He started stalking me and I became distrustful of men. And at this age I'm busy with school and only sleep when I get home= no boyfriend

Do I look better with or without glasses?
You're right I don't care

I- I'm sorry!
ku hu...

Really! It has nothing to do with you!
Leave me alone!
Shut up!
Why do you say that?
Benio
Shouldn't you stop interfering with Kobeni?
Don't do my laundry with your clothes!
Keep them separate!
Like how adolescent* girls hate their dads?
I'm also that age, you know!
She's not a kid anymore and she probably hates your meddling
NOOO OOOO OOOO OOOO OOOO OOOO!
Well, maybe not..
but it's always possible
Besides Kobeni could never hate me like that
So you're perverted by nature
But... but I also think this would be good!
Do you really need to look like you're dying?

Note: Literally pubescent, but I thought adolescent would go over better for an English-speaking audience

Note: This was a rough page to translate, and a lot of the meaning got lost. Mayuno's question about eating meat probably was a way of asking if Mashiro is agressive, but Mashiro doesn't get it. Then Mayuno's comment about the unexpected meeting is referencing the cliches in manga where a guy and girl crash into each other and fall in love, etc. As usual, Mashiro doesn't understand the joke and thinks of predators and prey up in the mountains.

sleepy
Just...
Act like usual
There's no reason to turn away*
Eh?
ugh...
What is it?
Today's dinner is...
Natto, lady fingers and yam soup with rice
!!
I'm, I'm sorry! I was just joking! It was a cute sister-in-law joke!!
We sure know who is in charge
But it's ok, I can eat that stuff TT

Note: Literally "there's nothing to turn back"

I guess Kobeni isn't used to this...

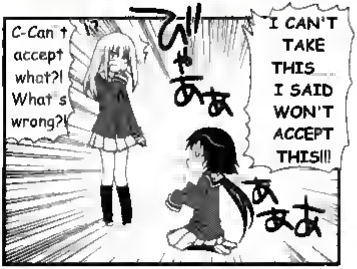
How many times is it now?
Eh? Kobeni's avoiding you when you make eye contact?

WAH !!!
Ah, sorry Mashiro-chan
You okay?

What are you saying? This doesn't mean she hates you but she's aware of you
Are you brag-ging?

An unexpected meeting
The second you meet BOOM

What are you saying?



C-Can't accept what?! What's wrong?!
I CAN'T TAKE THIS... I SAID WON'T ACCEPT THIS!!!

It's--it's nothing! I didn't say anything!!

So persis-tent
Aro really?
But still
I won't tell you what color underwear I like!
There's something I want to ask you
Be-Benio
do you not believe me?
What was it thot Hok-uyo did yester-day?
There's o limit to how fast you con be
But
What do you mean? It was probably your imagin-ation
Well thot was easy!
Of course I believe in you!!
It was nothing

33 **Coconut water processed into a jelly

39 Note: Benio is saying the "dere" of "tsundere" has arrived. "Tsun" means to be cold while "dere" means to be loving. A tsundere is a character archetype in many mangas and animes where a person is initially cold and then becomes loving or has a loving side behind a cold façade.

You came home early Mashiro?
